

**X-NITRO**

Model: XN002

## On-Site PSA NITROGEN GENERATOR

### Product Description:

- PSA-Driven purity up to 99.99%
- Plug-and-play ready for immediate use
- Trailer-mounted and move with ease
- One-touch Start and built for the plant floor.

### Product Specifications:

Item size: 20"W\*14"D\*-49"H

Flow rate:  $\geq 2.5$  m<sup>3</sup>/h

Output pressure : 0.4MPa

N<sub>2</sub> purit : up to 99.99%

Power supply : 220V / 50Hz

Inlet pressure : 0.7 Mpa ~ 0.9 Mpa

Gas tank : 10 L

Net wt: 95kg

Rendering Only
